## **Rock School - Free taster day Saturday 3<sup>rd</sup> July 2010 Exclusive to Music Centre members**

The taster day is a chance to experience a condensed course, and find out all about Rock School before the one week summer holiday courses.

*“Our professional musicians run one week courses in the school holidays, where young people get to form a new band with people of their own age, learn to play tracks by their favourite artists, write their own original material, record their songs in a professional recording studio and play a live show at the end of the week.”*

Booking in advance essential, as demand will be high – secure your place by e-mailing - places allocated on a first come, first served basis.
